**The Picture Perfect Solution
for Your Business**

Honeywell

A WHOLE NEW WAY TO LOOK AT **VIDEO**

Total Connect Video Services let you watch over your business from anywhere, anytime—

when you're there and when you're not! You can view live video on up to six cameras at a time, receive event-driven video clips, take snapshots and more on the same mobile devices you use every day.

Just picture the possibilities!

Thanks to Total Connect Video Services, you'll never look at your business and employees in the same way. Focus on the features and you'll see why.

- Available with or without a security system
- Connect remotely from anywhere in the world—all you need is Internet access
- Control and manage your accounts, add users, assign codes and control cameras with an easy to navigate menu
- Secure communications and firewall-friendly video streaming
- Store up to 100 video clips
- Control pan and tilt cameras with simple up, down or diagonal swipe of the finger across Apple® iPhone®, iPad® or iPod touch® devices
- Free apps available for iPhone, iPad, iPod touch, BlackBerry® and Android™

For the ultimate peace of mind, look no further than Total Connect Video Services. It's picture-perfect thinking from a name you can trust.

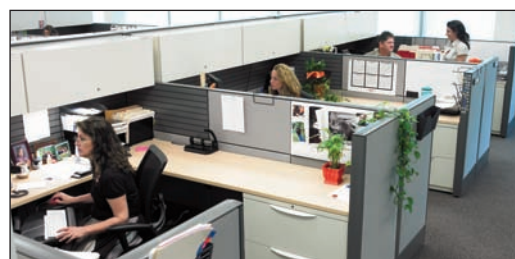

Total Connect app is available for free download in the Apple® iTunes® App Store™. Total Connect subscribers can download the BlackBerry app for free by logging into their accounts. The Android app is available in Android Market. Apple, iPhone, iPad, iPod touch and iTunes are trademarks of Apple Inc. All other trademarks are property of their respective owners.

CUSTOMIZED VIDEO SOLUTIONS for Every Business

Just because you're out of the office doesn't mean you have to be out of the loop. When you put Total Connect Video Services to work, you'll have the critical information you need to help manage your business, your employees and even the unexpected.

Wherever you are, you can:

- View live video of your business anytime, anywhere
- Observe employee performance, productivity and behavior
- Use graphics and photos to represent individual locations and employees
- Add multiple users and customize access settings for each one
- See when your business opens in the morning and closes at night
- Supervise voids, resales and returns by monitoring cash registers with live video or recorded snapshots
- Observe consumer shopping habits and activity
- Conveniently access up to 100 sites with one login, letting you use the same account to view video feeds from facilities at various locations
- Protect expensive merchandise, office equipment, electronics and other indoor valuables by receiving a video clip when they have been moved or disturbed
